

Certificate

Berlin, 2026-07-13
page 1 | 2

Within a certification audit the organization

GETEC Contracting GmbH

at the site **Albert-Vater-Straße 50, 39108 Magdeburg**

and the further scope according to the appendix has proved that a management system has been established and is successfully applied in accordance with the requirements of the international standard

DIN EN ISO 45001:2023

for the following scope of activities

**Operation of energy and utility supply systems, as well as the supply of energy and utilities.
The certification includes the operation, maintenance, repair, and servicing of these systems.**

This certificate is a seamless continuation of the previous certificate and is valid from 2026-07-16 until 2029-07-15.
